- **League Report**
 - Spring Wrap-up
 - There have been many uneven scores e.g. teams winning by 10+ goals. Most are occurring at Bronze level.
 - Many scores haven't been entered. Several have one team, but not the other. However, there are still many games left to be played over the next 2 weeks.
 - Discussion of starting the spring season earlier to help avoid conflicts with other spring sports. Explore the option of starting the first week of games the week following April vacation. Teams would have to be submitted the first week in April.

- No Premier players on a Bronze team. While written in the rules, enforcement has been lacking. Everyone agreed that we will fully enforce the rule that states that no Premier players are allowed to participate in a Bronze level game. Rosters will be checked for violations.

- **League Report (cont)**

- Changes to the Rules will be sent out before August 1st to all clubs
 - Summary of the rules
 - Gold division will be the only awarded division.
 - Bronze division will be Recreational only, No Premier players ever.
 - Violations of this rule will result in the match as a loss for the team and the coach is suspended for their next match.
 - If you have two teams for the same age group one must be Gold before Silver or Bronze. Exceptions will be allowed but, on a case,-by-case basis.
 - The blowout rule will be reinstated for the Bronze division. Gold and Silver will not have a blowout rule.
